

What is Medicare?

Medicare is a federal health insurance program for people who are 65 or older, or people with qualifying health conditions.

What does Medicare cover?

- 1 Plans**
Medicare plans vary in coverage just like regular health insurance plans.
- 2 Cost**
Medicare is usually a cheaper option for people who qualify, and some basic plans can even be free.
- 3 Services**
You can choose from plans that cover hospital, medical, vision, hearing, dental, and more services.
