

How to Report Scams

Report scams online to the Federal Trade Commission at <https://reportfraud.ftc.gov> You can also call 1-877-382-4357. The FTC is the primary government agency that collects scam complaints.

Your State Attorney General's Office can help too. Find your State Attorney General's number here: <https://www.usa.gov/state-attorney-general>

Seniors are especially vulnerable to scams. If you have questions, call the AARP Fraud Watch Network Helpline: 877-908-3360

Report the number that called you on your Caller ID, and the number the caller tells you to call back.

If you didn't lose money and just want to report a call, you can visit <https://donotcall.gov>.

We believe that ALL people deserve a chance to learn and succeed.

Ascendant Community Education ("ACE") partners with banks and other financial services companies to provide free financial literacy education to low to moderate income households.
