

# How Much Tax Should You Withhold From Your Paycheck?

## Tax Withholding Estimator Tool:

<https://apps.irs.gov/app/tax-withholding-estimator>

Follow this link to find out how much tax you should withhold from your paycheck, and more information like:

- How your withholding amount affects your refund and take-home pay
- How to choose an estimated withholding that works for you

Before you start, have the following information ready to go:

- Paystubs for all jobs (spouse too)
- Other income info (side jobs, self-employment, investments, etc.)
- Most recent tax return

We believe that ALL people deserve a chance to learn and succeed.

Ascendant partners with businesses, banks and other financial services companies to provide free financial literacy education to low to moderate income households.
